

YOUR PATIENT PORTAL IS BEING UPGRADED.

Chesapeake Regional Healthcare has upgraded its MyChart patient portal. Now you can:

- Manage your appointments
- View or download your medical record
- Access your test results & notes
- View recent hospital & outpatient visits

MyChart Mobile App Sign Up – New Users

You will be provided a MyChart activation code on the back of your After Visit Summary at the time of discharge. Follow these easy steps to finish signing up on your computer:

1. Visit **MyChart.ChesapeakeRegional.com**
2. Click on **Sign up now**. You will see a new member sign up page.
3. Enter the **MyChart activation code** provided to you at discharge.
4. Fill out the fields on the **MyChart sign-up page**.

Existing Users

To use the updated app, under My Organizations, click on the “+” sign, search for and select “Chesapeake Regional Healthcare New” and log in with your login ID and password.

If you need help setting up your account or have questions, please call **1-844-686-3503**.
